

Conflict Prevention and Resolution through IEP Meeting Facilitation

Participants will learn the process of facilitation which allows team members to:

- *Build and improve strong relationships among parents and other team members*
- *Use proven techniques to reach true consensus*
- *Focus the IEP content and process on the needs of the student*
- *Exercise an efficient, guided meeting process where effective communication and reflective listening skills are used*

Our approach always includes:

- *Practical, proven techniques and strategies*
- *Hands-on, practice activities in a safe learning environment*
- *Immediate feedback from certified trainers and workshop participants*
- *Full, continuing, lifetime support from Key2Ed staff after the workshop concludes at no additional cost*
