

# ANDREA PATERALA, M.A.

## SENIOR CONSULTANT

---

Andrea has 36 years of experience working in education from elementary to higher education settings to therapeutic schools. She has served in many administrative roles, including being an assistant director of Student Services and Special Education. Andrea is currently retired from education but works in long-term substitute positions as well as interim administrative.

Resides in Illinois

Andrea has had more than 37 years experience as an educator and continues to lead parents, students and staff to build strong, positive relationships. In doing so, teams are able to make informed decisions that are in the best interest of each child.

"Fantastic and engaging leader! Friendly and supportive, created a safe space to take risks." -J.G, Illinois
