

# CASSIE VELASQUEZ, M.ED., M.D.R.

## CO-OWNER OF KEY2ED

Cassie is co-owner of Key2Ed, an educational consulting company specializing in improving school and family partnerships. Cassie has over 30 years of educational experience in special education and is a national public speaker. She delivers professional development workshops to educators nationwide. With a master's degree in special education and a master's degree in Dispute Resolution, as well as being a certified mediator, she brings expertise to the field of special education related to conflict prevention.

Resides in Arizona

Building collaborative relationships with schools and families is what Cassie values the most. She believes that communication is the key to this success.

“Amazing! Cassie did a wonderful job asking open-ended questions that allow us to think outside the box....both best and worst case scenarios. Cassie is very knowledgeable of the content and her years of experiences doing this is apparent.” -**T.R, Arizona**
