

# LINDSEY GRANGER, M.ED.

## SENIOR CONSULTANT

---

A training Consultant for Key2Ed, and a Senior Consultant with Collaborative Educational Network, Inc. CEN is a Florida-based consulting firm that provides services to schools, districts, non-profit organizations, and governmental agencies. Lindsey's experience in special education is deep-rooted in dispute resolution across the school, district, and State levels.

Resides in Florida

Lindsey values the critical nature of keeping students at the center of educational discussions and problem-solving. With a strong background in dispute resolution, she is committed to helping others see the value in team collaboration and recognizing that when honoring a student-focused process, we are more alike than different.

"Awesome energy, great personality and awesome facilitator." -L.N, Florida
