

## MARTI GINTER, M.S. ED.

### SENIOR CONSULTANT

---

Marti's career includes experiences as a middle and high school special education teacher, special education consultant/diagnostician serving ages 3-21, and LEA Director of Special Education/Preschool/Adult Education. Ms. Ginter has written and presented numerous professional development workshops on the special education process for parents and educators.

Resides in Missouri

Her practice is guided by the belief that the federal special education law has the intent to create a conversation between homes and schools to meet the unique and individual needs of students with disabilities.

"Marti did a great job of facilitating the sessions, keeping us on track and organized. She was extremely clear in her presentation of material."

-M.J, Missouri
