

## **PILAR PEIGH, M.A.**

### **SENIOR CONSULTANT**

---

Her varied experiences equip her with unique perspectives into promoting team effectiveness, guiding parental expectations, and promoting student achievement. Pilar is passionate about empowering administrators, teachers, parents, and students with tools for success so that each may flourish - in learning and in life.

Resides in Illinois

As both an experienced educator and parent of a child with a disability, Pilar is passionate about empowering students, families and educators by creating strong, positive, collaborative partnerships.

“Great humor. Because she used such great examples used from her own personal experiences, it made everything relatable.” -T.E, Illinois
