

## SUZETTE SAMPLE, M.ED.

### SENIOR CONSULTANT

Suzette has taught at the elementary, middle, and high school level. She has also served as a district-based Staffing & Compliance Specialist, Coordinator, Supervisor, and recently retired as the Assistant Director for Special Education Compliance from Hillsborough County Public School District in Tampa, FL.

During her career she facilitated many, many IEP meetings and is an enthusiastic supporter of the Key2ed process training.

Resides in Florida

Suzette believes that building successful students requires building successful partnerships with all stakeholders. With over 30 years of experience in special education as both a teacher and administrator, she has found the facilitated IEP process to be instrumental in establishing a climate of trust and transparency.

“Absolutely wonderful. Cheerful, clear, direct, welcoming for questions. She did a wonderful job breaking things down and provide feedback.”
